I. INTRODUCTION

This is the disclosure statement (the "Disclosure Statement") in the individual chapter 11 case of Patricia Hayden (the "Debtor"). This Disclosure Statement contains information about the Debtor and describes Patricia Hayden's Plan of Reorganization (the "Plan") filed by Patricia Hayden on December 29th, 2016. A full copy of the Plan is attached to this Disclosure Statement as Exhibit A. Your rights may be affected. You should read the Plan and this Disclosure Statement carefully and discuss them with your attorney. If you do not have an attorney, you may wish to consult one.

The proposed distributions under the Plan are discussed at pages 5-9 of this Disclosure Statement. [General unsecured creditors are classified in Class 3, and will receive a distribution of 100% of their allowed claims, to be distributed over the original terms of the debt.

A. Purpose of This Document

This Disclosure Statement describes:

- The Debtor and significant events during the bankruptcy case,
- How the Plan proposes to treat claims or equity interests of the type you hold (i.e., what you will receive on your claim or equity interest if the plan is confirmed),
- Who can vote on or object to the Plan,
- What factors the Bankruptcy Court (the "Court") will consider when deciding whether to confirm the Plan,
- Why [the Proponent] believes the Plan is feasible, and how the treatment of your claim or equity interest under the Plan compares to what you would receive on your claim or equity interest in liquidation, and
- The effect of confirmation of the Plan.

Be sure to read the Plan as well as the Disclosure Statement. This Disclosure Statement describes the Plan, but it is the Plan itself that will, if confirmed, establish your rights.

II. BACKGROUND

A. Description and History of the Debtor's Business

The Debtor is an individual. Since 2010, the Debtor has worked as a substitute for the HSD1J. Since September, 2016, the Debtor works as a Special Education Assistant for the HSD1J.

B. Insiders of the Debtor

The debtor has no Insiders.

C. Management of the Debtor Before and During the Bankruptcy

During the two years prior to the date on which the bankruptcy petition was filed, there were no officers, directors, managers or other persons in control of the Debtor (collectively "Managers").

There have been no Managers of the Debtor during the Debtor's chapter 11 case.

After the effective date of the order confirming the Plan, there will be no Post Confirmation Managers (directors, officers, or voting trustees of the Debtor, any affiliate of the Debtor participating in a joint Plan with the Debtor, or successor of the Debtor under the Plan). The Debtor will manage the Plan.

D. Events Leading to Chapter 11 Filing

Since purchasing the Debtor's home in 2001, the Debtor has incurred expenses to maintain/repair the home that were not ordinary and were beyond the Debtor's control. In addition, the Debtor has not been regularly employed over the past several years, and was mainly a stay at home mother.

E. Significant Events During the Bankruptcy Case

There are no significant events to report during the Debtor's bankruptcy case. The Debtor does have regular income to fund the Plan, but that was in place prior to the filing of the Chapter 11 case.

F. Projected Recovery of Avoidable Transfers

Debtor has no Avoidable Transfers.

G. Claims Objections

Except to the extent that a claim is already allowed pursuant to a final non-appealable order, the Debtor reserves the right to object to claims. Therefore, even if your claim is allowed for voting purposes, you may not be entitled to a distribution if an objection to your claim is later upheld. The procedures for resolving disputed claims are set forth in Article V of the Plan.

H. Current and Historical Financial Conditions

The identity and fair market value of the estate's assets are listed in Exhibit B. Zillow was used to value the Debtor's house. Kelly Blue Book was used to value Debtor's automobiles. The Debtor's household items were valued using current prices listed in local newspaper sale listings, and Craigslist sales of similar items.

The Debtor's most recent financial statements [if any] issued before bankruptcy, each of which was filed with the Court, are set forth in Exhibit C.

The most recent post-petition operating report filed since the commencement of the Debtor's bankruptcy case are set forth in Exhibit D. A summary of the Debtor's periodic operating reports filed since the commencement of the Debtor's bankruptcy case is set forth in Exhibit D.

III. SUMMARY OF THE PLAN OF REORGANIZATION AND TREATMENT OF CLAIMS AND EQUITY INTERESTS

A. What is the Purpose of the Plan of Reorganization?

As required by the Code, the Plan places claims and equity interests in various classes and describes the treatment each class will receive. The Plan also states whether each class of claims or equity interests is impaired or unimpaired. If the Plan is confirmed, your recovery will be limited to the amount provided by the Plan.

B. Unclassified Claims

Certain types of claims are automatically entitled to specific treatment under the Code. They are not considered impaired, and holders of such claims do not vote on the Plan. They may, however, object if, in their view, their treatment under the Plan does not comply with that required by the Code. As such, the Plan Proponent has not placed the following claims in any class:

1. Administrative Expenses

Administrative expenses are costs or expenses of administering the Debtor's chapter 11 case which are allowed under § 507(a)(2) of the Code. Administrative expenses also include the value of any goods sold to the Debtor in the ordinary course of business and received within 20 days before the date of the bankruptcy petition. The Code requires that all administrative expenses be paid on the effective date of the Plan, unless a particular claimant agrees to a different treatment.

The following chart lists the Debtor's estimated administrative expenses, and their proposed treatment under the Plan:

Type	Estimated Amount Owed	Proposed Treatment
Office of the U.S. Trustee Fees	\$550	Paid in full on effective date of the plan.
TOTAL	\$550	

2. Priority Tax Claims

Priority tax claims are unsecured income, employment, and other taxes described by § 507(a)(8) of the Code. Unless the holder of such a § 507(a)(8) priority tax claim agrees otherwise, it must receive the present value of such claim, in regular installments paid over a period not exceeding 5 years from the order of relief.

The Debtor has no § 507(a)(8) priority tax claims.

C. Classes of Claims and Equity Interests

The following are the classes set forth in the Plan, and the proposed treatment that they will receive under the Plan:

1. Classes of Secured Claims

Allowed Secured Claims are claims secured by property of the Debtor's bankruptcy estate (or that are subject to setoff) to the extent allowed as secured claims under § 506 of the Code. If the value of the collateral or setoffs securing the creditor's claim is less than the amount of the creditor's allowed claim, the deficiency will [be classified as a general unsecured claim].

The following chart lists all classes containing Debtor's secured prepetition claims and their proposed treatment under the Plan:

	Additional payment required to cure defaults= Re-amortized over the remaining term of the loan.

2. Classes of Priority Unsecured Claims

Certain priority claims that are referred to in §§ 507(a)(1), (4), (5), (6), and (7) of the Code are required to be placed in classes. The Code requires that each holder of such a claim receive cash on the effective date of the Plan equal to the allowed amount of such claim. However, a class of holders of such claims may vote to accept different treatment.

The Debtor has no classes containing priority unsecured claims under §§ 507(a)(1), (4), (5), (6), and (a)(7) of the Code.

3. Class[es]of General Unsecured Claims

General unsecured claims are not secured by property of the estate and are not entitled to priority under § 507(a) of the Code.

The following chart identifies the Plan's proposed treatment of Class 3, which contain general unsecured claims against the Debtor:

4. Class[es] of Equity Interest Holders

Equity interest holders are parties who hold an ownership interest (i.e., equity interest) in the Debtor. In a corporation, entities holding preferred or common stock are equity interest holders. In a partnership, equity interest holders include both general and limited partners. In a

limited liability company ("LLC"), the equity interest holders are the members. Finally, with respect to an individual who is a debtor, the Debtor is the equity interest holder.

The following chart sets forth the Plan's proposed treatment of the class[es] of equity interest holders:

Class#	Description	Impairment	Treatment
Class 4	Debtor is the equity interest holder.	Unimpaired	Not applicable

D. Means of Implementing the Plan

1. Source of Payments

Payments and distributions under the Plan will be funded by the following:

Payments and distributions under the Plan will be funded by the Debtor's monthly income from employment with the HSD1J.

2. Post-confirmation Management

There are no Post-confirmation Managers of the Debtor.

E. Risk Factors

The proposed Plan has the following risks:

Risk factors that might affect the Debtor's ability to make payments and other distributions required under the Plan are continued employment. The Debtor expects to continue to be employed until retirement, but budget cuts to the HSD1J education budget could affect Debtor's employment.

F. Executory Contracts and Unexpired Leases

The Debtor has no executory contracts and unexpired leases.

G. Tax Consequences of Plan

Creditors and Equity Interest Holders Concerned with How the Plan May Affect Their Tax Liability Should Consult with Their Own Accountants, Attorneys, And/Or Advisors.

The following are the anticipated tax consequences of the Plan: (1) No anticipated tax consequences to the Debtor of the Plan; (2) No anticipated general tax consequences on creditors of the Plan.

page 9 of 14

IV. CONFIRMATION REQUIREMENTS AND PROCEDURES

To be confirmable, the Plan must meet the requirements listed in §§ 1129(a) or (b) of the Code. These include the requirements that: the Plan must be proposed in good faith; at least one impaired class of claims must accept the plan, without counting votes of insiders; the Plan must distribute to each creditor and equity interest holder at least as much as the creditor or equity interest holder would receive in a chapter 7 liquidation case, unless the creditor or equity interest holder votes to accept the Plan; and the Plan must be feasible. These requirements are not the only requirements listed in § 1129, and they are not the only requirements for confirmation.

A. Who May Vote or Object

Any party in interest may object to the confirmation of the Plan if the party believes that the requirements for confirmation are not met.

Many parties in interest, however, are not entitled to vote to accept or reject the Plan. A creditor or equity interest holder has a right to vote for or against the Plan only if that creditor or equity interest holder has a claim or equity interest that is both (1) allowed or allowed for voting purposes and (2) impaired.

In this case, the Plan Proponent believes that <u>0</u> classes are impaired and that holders of claims in each of these classes are therefore entitled to vote to accept or reject the Plan. The Plan Proponent believes that <u>3</u> classes are unimpaired and that holders of claims in each of these classes, therefore, do not have the right to vote to accept or reject the Plan.

1. What Is an Allowed Claim or an Allowed Equity Interest?

Only a creditor or equity interest holder with an allowed claim or an allowed equity interest has the right to vote on the Plan. Generally, a claim or equity interest is allowed if either (1) the Debtor has scheduled the claim on the Debtor's schedules, unless the claim has been scheduled as disputed, contingent, or unliquidated, or (2) the creditor has filed a proof of claim or equity interest, unless an objection has been filed to such proof of claim or equity interest. When a claim or equity interest is not allowed, the creditor or equity interest holder holding the claim or equity interest cannot vote unless the Court, after notice and hearing, either overrules the objection or allows the claim or equity interest for voting purposes pursuant to Rule 3018(a) of the Federal Rules of Bankruptcy Procedure.

2. What Is an Impaired Claim or Impaired Equity Interest?

As noted above, the holder of an allowed claim or equity interest has the right to vote only if it is in a class that is *impaired* under the Plan. As provided in § 1124 of the Code, a class is considered impaired if the Plan alters the legal, equitable, or contractual rights of the members of that class.

page 10 of 14

3. Who is **Not** Entitled to Vote

The holders of the following five types of claims and equity interests are not entitled to vote:

- holders of claims and equity interests that have been disallowed by an order of the Court;
- holders of other claims or equity interests that are not "allowed claims" or "allowed equity interests" (as discussed above), unless they have been "allowed" for voting purposes.
- holders of claims or equity interests in unimpaired classes;
- holders of claims entitled to priority pursuant to §§ 507(a)(2), (a)(3), and (a)(8) of the Code; and
- holders of claims or equity interests in classes that do not receive or retain any value under the Plan;
- administrative expenses.

Even If You Are Not Entitled to Vote on the Plan, You Have a Right to Object to the Confirmation of the Plan [and to the Adequacy of the Disclosure Statement].

4. Who Can Vote in More Than One Class

A creditor whose claim has been allowed in part as a secured claim and in part as an unsecured claim, or who otherwise hold claims in multiple classes, is entitled to accept or reject a Plan in each capacity, and should cast one ballot for each claim.

B. Votes Necessary to Confirm the Plan

If impaired classes exist, the Court cannot confirm the Plan unless (1) at least one impaired class of creditors has accepted the Plan without counting the votes of any insiders within that class, and (2) all impaired classes have voted to accept the Plan, unless the Plan is eligible to be confirmed by "cram down" on non-accepting classes, as discussed later in Section [B.2.].

1. Votes Necessary for a Class to Accept the Plan

A class of claims accepts the Plan if both of the following occur: (1) the holders of more than one-half (1/2) of the allowed claims in the class, who vote, cast their votes to accept the Plan, and (2) the holders of at least two-thirds (2/3) in dollar amount of the allowed claims in the class, who vote, cast their votes to accept the Plan.

page 11 of 14

A class of equity interests accepts the Plan if the holders of at least two-thirds (2/3) in amount of the allowed equity interests in the class, who vote, cast their votes to accept the Plan.

2. Treatment of Nonaccepting Classes

Even if one or more impaired classes reject the Plan, the Court may nonetheless confirm the Plan if the nonaccepting classes are treated in the manner prescribed by § 1129(b) of the Code. A plan that binds nonaccepting classes is commonly referred to as a "cram down" plan. The Code allows the Plan to bind nonaccepting classes of claims or equity interests if it meets all the requirements for consensual confirmation except the voting requirements of § 1129(a)(8) of the Code, does not "discriminate unfairly," and is "fair and equitable" toward each impaired class that has not voted to accept the Plan.

You should consult your own attorney if a "cramdown" confirmation will affect your claim or equity interest, as the variations on this general rule are numerous and complex.

C. Liquidation Analysis

To confirm the Plan, the Court must find that all creditors and equity interest holders who do not accept the Plan will receive at least as much under the Plan as such claim and equity interest holders would receive in a chapter 7 liquidation. A liquidation analysis is attached to this Disclosure Statement as Exhibit E.

D. Feasibility

The Court must find that confirmation of the Plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Debtor or any successor to the Debtor, unless such liquidation or reorganization is proposed in the Plan.

1. Ability to Initially Fund Plan

The Plan Proponent believes that the Debtor will have enough cash on hand on the effective date of the Plan to pay all the claims and expenses that are entitled to be paid on that date. Tables showing the amount of cash on hand on the effective date of the Plan, and the sources of that cash are attached to this disclosure statement as Exhibit F.

2. Ability to Make Future Plan Payments And Operate Without Further Reorganization

The Plan Proponent must also show that it will have enough cash over the life of the Plan to make the required Plan payments.

The Plan Proponent has provided projected financial information. Those projections are listed in Exhibit G.

You Should Consult with Your Accountant or other Financial Advisor If You Have Any Questions Pertaining to These Projections.

V. EFFECT OF CONFIRMATION OF PLAN

A. NO DISCHARGE OF DEBTOR

No Discharge. In accordance with § 1141(d)(3) of the Code, the Debtor will not receive any discharge of debt in this bankruptcy case.

B. Modification of Plan

The Plan Proponent may modify the Plan at any time before confirmation of the Plan. However, the Court may require a new disclosure statement and/or revoting on the Plan.

Upon request of the Debtor, the United States trustee, or the holder of an allowed unsecured claim, the Plan may be modified at any time after confirmation of the Plan but before the completion of payments under the Plan, to (1) increase or reduce the amount of payments under the Plan on claims of a particular class, (2) extend or reduce the time period for such payments, or (3) alter the amount of distribution to a creditor whose claim is provided for by the Plan to the extent necessary to take account of any payment of the claim made other than under the Plan.

C. Final Decree

Once the estate has been fully administered, as provided in Rule 3022 of the Federal Rules of Bankruptcy Procedure, the Plan Proponent, or such other party as the Court shall designate in the Plan Confirmation Order, shall file a motion with the Court to obtain a final decree to close the case. Alternatively, the Court may enter such a final decree on its own motion.

VI. OTHER PLAN PROVISIONS

Debtor has no other plan provisions.

UST-53, SUMMARY OF DISBURSEMENTS

INSTRUCTIONS: <u>BEFORE COMPLETING THIS PAGE</u>, prepare UST-53A (see next page) to include all bank accounts or other sources of the debtor's funds. The disbursement total will be used to complete this SUMMARY OF DISBURSEMENTS.

The debtor is responsible for providing accurate monthly disbursement totals for purposes of calculating the debtor's obligation pursuant to 28 U.S.C. § 1930(a)(6) to pay statutory fees to the U.S. Trustee. The disbursement total encompasses all payments made by the debtor during the reporting month, whether made directly by the debtor or by another party for the debtor. It includes checks written and cash payments. It also includes payments made pursuant to joint check arrangements and those resulting from a sale or liquidation of the debtor's assets. The only transactions normally excluded from the disbursement total are transfers within the same reporting month between multiple debtor accounts.

The U.S. Trustee payment is due on the last day of the month following the end of each calendar quarter, or on **April 30**, **July 31**, **October 31**, **and January 31**, respectively. Because the amount billed is an estimate, the debtor is responsible for paying the correct statutory fee based on actual disbursements for the <u>calendar quarter</u>, or portion thereof while the debtor is in Chapter 11 (i.e. until the case is converted, dismissed, or closed by final decree). Failure to pay statutory fees to the U.S. Trustee is cause for conversion or dismissal of the case. A copy of the statutory fee schedule may be found in the Chapter 11 Guidelines on the U.S. Trustee's website located at:

http://www.justice.gov/ust/r18/portland/chapter11.htm http://www.justice.gov/ust/r18/eugene/chapter11.htm

If you have any questions about how to compute the disbursement total, please call the U.S. Trustee's office:

Portland, OR
